Al Mansoura, Doha, Qatar | +974 3108 1172 | archiebenitez101@gmail.com | [LinkedIn](#) | Nationality: Filipino

PROFESSIONAL SUMMARY

Tech-oriented operations professional with 2+ years of experience in logistics coordination, data management, and IT support. Skilled in hardware troubleshooting, POS systems, MS Office, and basic network setup. Comfortable working independently and handling multiple tasks. Looking to grow in an IT Technician role where I can contribute to keeping systems running smoothly and develop my technical skills further.

TECHNICAL SKILLS

Operating Systems: Windows OS, basic system configuration and maintenance, Linux (Mint, Kali)

Hardware: PC troubleshooting, hardware servicing, peripheral setup, printer support

POS Systems: Hands-on experience operating and supporting POS systems

Networking: Basic LAN/WAN, TCP/IP, router and network setup, switch configuration

IT Support: Software troubleshooting, OS installation, system documentation

Security: Basic cybersecurity awareness, Cloudflare (bot protection, security layers)

Productivity: Microsoft Excel, Word, and Office Suite

WORK EXPERIENCE

Sales Coordinator | *Premier Express Cargo*

Oct 2023 - Present

Doha, Qatar

- Provided day-to-day IT support to staff, troubleshooting hardware, software, printer, and peripheral issues to minimize disruptions.
- Diagnosed and resolved basic network and router issues to maintain office connectivity.
- Maintained and updated sales reports and operational records in Excel and Word, ensuring accurate data entry across shipment, pickup, and collection logs.
- Printed and prepared loading documents and shipment manifests to support daily cargo operations.
- Coordinated pickups, tracked shipments, and managed credit collection records across multiple accounts.

Store Clerk | *7-Eleven Franchise*

2022 - 2023

Philippines

- Operated POS system daily to process customer transactions accurately and efficiently.
- Monitored stock levels and supported inventory ordering and receiving.
- Trained new staff on POS operations and store procedures.
